Well it was a great year of Ice Fishing, unfortunately it seems to be coming to an abrupt end. A lot of good times were had, whether it was a friendly competition, a little Ice Bowling, or just having a few laughs with the boys, it was all great! Laughs, ribbing and tip ups, couldn't ask for anything more. Till next year.....tight lines.

Don't forget to show Daisy your boat registration by March 31st. Failure to do so will result in the loss of your space on the waiting list.

There is talk of an Archery Shoot at the end of April. Time to wax your strings on the banjo and sharpen your eye. The format will be as it was in the past, you may bring one guest, \$10 per person. Naturally, it will depend on weather and water level. Good luck if you choose to enter the competition!

So with the ice going out and the mud/high water coming in, Brian Terrell is

President – Matt Bishop
Vice President – Larry Carney
Secretary – Gary Malo
Treasurer – John G
Sergeant At Arms – Mike Careno
Dock Master – Dave “Daisy” Kieliszek

Trustees

Mark Newsome - Marketing
Wayne Buzzee
Al Davis
Tom Woodard
Bill Barcomb

going to kick off Texas Hold Em' night on March 20th. It will start at 6 P.M. with a \$10 buy in. I believe the games will end at midnight. Come down and show off how well you can bluff your way to the top. Complete rules and sign ups are at the clubhouse.

Well if you haven't been to the clubhouse recently you are missing the beautiful refreshment stand that Tim Laroche Home Improvement has installed! They did one heck of a job and it really compliments the place. In the same note he would like to thank the help that he had from our end. Damn fine job guys!

Send me your photos so I can get them on the web! I lost a bunch during transition and want to get it up to snuff again.

Keep in mind if you bring a machine to the club, keep it on the sidelines and on our property in the woods. We don't need the field torn up or any trouble from abutters.

It's nice of you to bring wood down to the club, but, cut it to length and stack it up please, especially pallets. Don't just throw it down and walk away, have some courtesy. Don't just stack the pallets, cut them up. I didn't think I had to explain that any further but, ya know.

We need a housing committee. Someone step up to the plate please! It is not a hard job to do.

Keep in mind, Newsletter Night will now be the immediate Thursday after the General Membership Meeting. Same Bat Time, same Bat Place.
